

## Recertify ACLS or PALS at 2011 Trends Conference

The REMSA Center for Prehospital Education will be offering Advanced Cardiac Life Support and Pediatric Advanced Life Support recertification courses this year as a preconference option at the 2011 Trends conference. Attendees can choose one of the courses to complete in one day and will receive 8 hours of category 1 CME credits as well as an American Heart Association certification good for two years.

Both courses will be taught utilizing the new 2010 Emergency Cardiovascular Care guidelines and will review the newest additions to care and science as well as an overview of the program algorithms. Attendees will have the opportunity to practice skills hands on and work as a part of a resuscitation team.

Each course comes with the Handbook for Emergency Cardiovascular Care. Attendees of the Trends conference will receive a special rate for the course of \$75.00 per person.

### ACLS or PALS Recertification Courses
